favorable time we were able to secure all the benefits arising from a low market and On Certain on among the wholesale tailors. We bought heavily of Men's Standard Quality 10 hd Vests-medium weights suitable for wear at any season of the year-and we now All IRON ordinary values in these most correct garments. They are necessary to every man's er kind or cut or style can take their place for general social occasions, for calling, etc. Must Pay the worn for business with the conviction that one is properly clad. If one's finances ien let him make the slender investment required and he will then be prepared for any

e Breasted Sack Coats are cut after the swellest tailors' models; the coats have that broad shouldered, deep chested effect, and the vests or either single or double breasted as you may brics are Serges, Clay Weave Diagonals, Cheviots, Cassimeres, Vicunas and Worsteds.

way Coats and Vests are correct for business or social functions. They are made up in fine Clay Weave Diagonals, Undressed Worsteds and Vicuna Thibets. These are superbly e finer grades are silk lined.

nce Albert Frock Coats and Vests embody all the ultra-fashionable "kinks," and when wearing one you will have that feeling of perfect satisfaction engendered pedge that your apparel is perfect. The fabrics from which these coats and vests are made are Clay Weave Diagonals, Vicunas. The lapels of most of them are silk faced to the button holes, or you can have them without silk facing if you prefer.

Trousers to be worn with any of the above coats and vests, made from the most serviceable and fashionable fabrics, such as Worsteds, Tweeds, Cassimeres and Cheviots, in hairlines, stripes, checked and soft plaid effects.

y of these garments we can fit the tall and the short men, the stout and the thin men as well as the men of normal build.
